Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Per discussion with James Wray (Reg. No. 22,693) on 23 March 2009, it was pointed out that the Wrinkle reference (U.S. Patent 5,698,031) has not been cited on the Notice of References Cited Form PTO-892. The reference was first presented and discussed in the Office Action dated on 03 September 2008, however the reference was inadvertently omitted from the Notice of References Cited also dated on 03 September 2008. This reference has now been cited properly cited in the attached PTO-892.
